Beverage Options:

Bar Tab & Pay as you Go (PAYG)

This option is for the client who would like to place an amount of money on the bar for their guests to utilise over the course of the event. We do not offer a price per head with beverage packages, simply all drinks are charged on a consumption basis. Once the amount has been spent, the client can either add an extra amount on the bar or guests can then commence paying for their drinks as they go.

If the client wishes for their guests to pay for their drinks for the whole duration of the event, they can also select that option.

Function Notes:

Should your event run over a significant meal period we may ask you to increase your food selection to comply with RSA guidelines. This will be discussed at enquiry stage to be certain you have selected the correct package for you & your guests.

Final guest numbers of your function must be confirmed one (1) week before your event.

A celebration cake may be brought into the Hotel to be served to your guests at a time nominated by you throughout the function. As we don't add a surcharge for our guests to bring in their own celebration cake, we are more than happy to set up the cake on an appropriate table & provide a knife & plates for the cake to be cut & served by you.

Terms & Conditions:

All tentative bookings are kept for 14 days from the enquiry date; if after which time a deposit has not been received the date will be released. Once the booking confirmation sheet & deposit have been received, the function or event will be deemed confirmed. We do require a \$100 deposit to confirm the booking. This, of course, will be taken off the final account upon settlement. Booking confirmation sheet is attached at the end of the package information.

Cancellation Terms:

Once the deposit is paid any cancellation should be 14 days prior to the date of the function. Any cancellation 7 days or less prior to your function, the client shall forfeit the entire deposit. If the client has encountered an unfortunate personal event, the date may be rescheduled and the deposit will be transferred to the amended date.

Entertainment:

The Nth Fitzroy Arms Hotel does not allow bands or DJ's to perform due to licensing restrictions. We will allow acoustic or background instrumental entertainment. Guests can bring in their own CD's or i-Pods to use and operate through our sound system.

Decorations / Theming:

Any decorative, floral or theming requirement can be discussed upon your initial enquiry. We can certainly assist with any request whether it be a first communion to a 100th birthday celebration.

Property / Personal Effects:

Whilst all care is taken, the Nth Fitzroy Arms Hotel cannot accept any responsibility for damaged or lost personal belongings left on the premises prior to, during or after your function.
